Reflex at Home or On the Go!

Dear Parents/Guardians,

Reflex is an online, game-based program that helps students build fast and effortless recall of math facts. Research has shown that quick recall of math facts is critical for future success in mathematics. Below, please find additional information to help support and monitor your child's progress to math fact fluency with Reflex at home or on the go.

- Students are encouraged to login to **Reflex** math through their student portal at least 3 times a week and strive for the “**green light**” each time.
- Your child can utilize the **Reflex** math program from any device, including smartphones, with internet access throughout the school year from home or on the go.
- **Reflex** helps students of all ability levels to develop fluency with their basic facts in addition, subtraction, multiplication and division.
- **Reflex** continuously monitors your child's performance to create an optimal experience for them.
- Parents can easily monitor their child's progress by creating a *Free Reflex Parent Account*. Use the instructions on the right to Create your Parent Account.

Create a Free Parent Account

To set up an account, you will need your child's Reflex login information: (teacher's Reflex Username, the name of the Reflex Class, and your child's Reflex Password).

1. Go to reflexmath.com/parent
2. Follow The onscreen instructions to create your free account.
3. Go to www.reflexmath.com/reports
4. Once you are logged, follow the instructions to add your child.
5. Once registered, launch the parent account at www.reflexmath.com/reports to log into your new account. Enter your Username (your email address) and Password and click Submit.

If you have any questions about Reflex, contact ExploreLearning directly, at support@explorelarning.com
